Biographical Sketch

Dedicated, resourceful and innovative Educationist with academic experience of **over 13+ years in teaching, 8 years in Research**, motivating and directing students while maintaining high interest and achievement. Gained experience across Academics, Research and Management, currently spearheading as **Assistant Professor with Xavier Business School, St. Xavier's University, Kolkata.**

As a pursuant of academics, I have done my M.A. in English, MBA from Dept. of Business Management, University of Calcutta, and Ph.D. in the field of Business Management (Brand Management) from University of Calcutta, thesis titled **"A Study on Personality Congruence between Brands and its Consumers"**.

In my pursuit of my research work, I received the **Best Paper Award at Las Vegas International Business & Education Conference 2014**, October 5th – 8th 2014, Organized by The Clute Institute and **honoured by the Institute to perform as a Session Chair of Marketing Session in the Conference.**

Areas of Specialisation and Research

My area of specialisation is Marketing Management and research interest lies in the vast field of Marketing Management, especially on Brand Management. I am interested and also pursuing research on Brand Personality, Brand Love and Brand Identity.
