

Name: Prof. Tuhin Utsab Paul

Designation: Assistant Professor in IT/Computer Application

Qualifications/Academia: M.Sc, M.Tech.

Email ID: 2.tuhin.kol@gmail.com

Biographical Sketch

Mr. Tuhin Utsab Paul is an assistant professor in the Department of IT/Computer Application under the Faculty of Commerce and Management at St. Xavier's University, Kolkata. He focuses on the improvement of students' experiences and learning with Information and Computer Tools in the application of management, ecommerce and management information systems.

He completed his M.Sc in Computer and Information System in 2010 and M.Tech in Computer science and Engineering in 2012 from the University of Calcutta. He is currently pursuing Ph.D. in Computer Science and Engineering at the University of Calcutta. He is UGC-NET qualified as Lecturer in Computer Science and Application in June, 2012. He is having an experience of working as assistant professor for six years since 2012. His area of research area includes Image processing, Algorithms, Data base systems and IOT.

Areas of Specialisation and Research

His areas of specialisation are Algorithms, Data base systems, IOT, E-commerce, Image Processing. And the research interest lies on the field of Image Processing, Database Systems, IOT.

Teaching Experience

- Assistant Professor, Department of Electronics and Communication Engineering, Institute of Engineering and Management. From September 2012 – August 2016.
- Assistant Professor, Department of Computer Science and Engineering, Amity University. From September 2016 – June 2018.
