

St. Xavier's University, Kolkata

INTERACTIVE SESSION ON COURSE OUTCOMES AND LEARNING OBJECTIVES

ORGANIZED BY IQAC

An Interactive Session was conducted on “Course Outcomes and Learning Objectives” on 05th December 2019 at St. Xavier's University Kolkata for all the faculty members of Xavier Business School of the University. It was a two-hour session from 11:30 A.M to 1:30 PM, conducted by Prof. Arindam Banik, Director, International Management Institution, Kolkata.

He introduced the relevance of Course Outcomes and Learning objectives in the present syllabus. He discussed the basic concepts and importance of learning outcomes. Thereafter he moved on with a detailed discussion about the preparation of Learning outcomes. He stated that modern education needs to be changed from syllabus oriented to outcome-based education where we can measure the development of the student. He discussed the applicability of Bloom's taxonomy in present syllabus and suggested that the learning outcomes should be brief and aligned with departmental Vision and Mission.
