STEP 3: UPGRADATION TO HIGHER PREFERENCE

1. The allotment of a programme to a selected candidate is determined based on the following parameters:

- Xavier Engineering Admission Test (XEAT) Score
- Availability of seats in the respective programme
- Preferences submitted by the candidate at the time of application

2. Provision for Programme Upgradation

- Candidates who are allotted a programme other than their higher preference may choose to accept the allotted programme by paying the required fees (by 04.05.2026). They may upgrade to their higher preferred programme by exercising the option (if selected, subject to seat availability) during the Programme Upgradation Round as mentioned below. However, those who do not pay the fees for the allotted programme by 04.05.2026 may exercise the option to upgrade to their preferred programme (if selected, subject to seat availability) during the Programme Upgradation Round by paying the required fees within the stipulated round. The deadline will not be extended under any circumstances, and those who are allowed to upgrade the programme preference but do not exercise the same will not be given another opportunity.

- Since the fees are uniform across all programmes, the fee already paid will automatically be adjusted in case of upgradation (in case already paid).
- Candidates who have opted only for one/two programme/s will not be considered for allotment in any other programme that they have not opted for. If such candidates are not allotted to their chosen programme due to merit or lack of seat availability, no alternative allotment will be made. However, these candidates will be offered the chance to pay their fees during the upgrade round (only if seats are available in their preferred programme). If the seat is available in the preferred programme, a separate email will be sent to these candidates.

STEP 4: ADMISSION CANCELLATION & REFUND OF FEES:

- If a provisionally admitted student does not report for physical verification of documents on the scheduled date and fails to provide any prior intimation, he/she shall be considered ineligible. - If a provisionally admitted student cancels his/her admission before the publication of the Final Board/Council (Plus Two Level) Result or after the publication of the Final Board/Council (Plus Two Level) Result but remains eligible for final admission, the fee will be refunded as per **UGC Guidelines**.
