VICE-CHANCELLOR'S MESSAGE

Welcome to St. Xavier's University, Kolkata, a Jesuit institution with one history but many stories, one fire with many sparks. It opened its doors to students in July 2017 with the blessings of the Hon'ble Chief Minister of West Bengal Mamata Banerjee, L.N. Mittal, who himself is a member of the Xaverian family and a number of distinguished alumni and leaders from various fields.

The University is built on a long-standing Jesuit heritage and timeless traditions. We attest our motto of "Nihil Ultra" upholding the illustrious Jesuit legacy, our commitment to creativity, leadership and standards, our affiliation to the onerous task of providing quality opportunities in the fields of teaching-learning, research, consultancy and placement.

The idea of introducing a post-graduate degree course in management under St. Xavier's University, Kolkata was to impart the core principles of the Jesuit value system and transform men and women into entrepreneurs and corporate leaders of tomorrow. Xavier Business School (XBS) is a member of Xavier Association of Management Institutes (XAMI), which includes the likes of XLRI, XIMB, LIBA, XISS and other Jesuit Management Institutes in India.

Xavier Business School aims to incorporate a holistic approach to management education through its MBA course. The B-School offers to its students four core specializations of Finance, Marketing, Human Resources and Business Analytics. Through rigorous grooming, both within the classroom and also through an application-oriented pedagogy, XBS intends to contribute to the Indian economy by producing management graduates who would not only be

adept in taking up the challenges of the corporate world but also make holistic contributions to research and development in the multidisciplinary management education.

Rapid globalization and digitization process has thrown education institutes across the globe, both a challenge and an opportunity to educate, train and prepare the upcoming generations for a world, which would be much more technologically advanced and mostly data driven. Owing to the prowess of our experienced faculty members and our connections with the diverse industry leaders, we, at XBS have successfully integrated the purview of data science, analytics and business intelligence within the scope of our pedagogy.

Having commenced its journey in 2018, XBS has grown by leaps and bounds. While, first three batches of XBS achieved more than 90% placement, the 4th batch i.e., the batch of 2021-23 has achieved 100% placement record through our Campus Recruitment Program. Most of the students got placed in multinational companies, media houses, start-ups and agencies belonging to a wide array of industries.

Being a Jesuit institute, inspired by the Ignatian charism, XBS aims to form global leaders for today and tomorrow to create a better world. To us, every student is indeed a burning candle that lights up other candles.

With open arms, I welcome aspiring young leaders of tomorrow to be a part of this 500-year-old Jesuit legacy.

Rev. Dr. John Felix Raj, S.J.

Vice-Chancellor, St. Xavier's University, Kolkata

ABOUT XAVIER BUSINESS SCHOOL

Xavier Business School (XBS), under the umbrella of St. Xavier's University, Kolkata offers a 2 Year full-time MBA Programme (AICTE Approved), with specializations in the domain of Finance, Marketing, Human Resource and Business Analytics. XBS as a member of XAMI (Xavier Association of Management Institutes) began its journey in August 2018 with a commitment to provide quality management education and develop students into successful and responsible business leaders and entrepreneurs. Besides developing industry ready management professionals, XBS follows the Ignatius charism and aims at forming men and women for others who are competent, committed, compassionate and service-oriented leaders. We attest to our motto 'Nihil Ultra' upholding the illustrious Jesuit legacy and our commitment to creativity, leadership, and standards.

The MBA programme at XBS has been designed keeping pace with the contemporary industry requirements. Our teaching-learning process is a blend of both theory and practice. Our beyond-classroom learning exercises encourage the students to nurture their creative and critical thinking skills. At XBS, we have a pool of experienced full-time faculty, duly supported by industry stalwarts and academicians as visiting faculty. With the objective of providing practical exposure to the students, interaction with industry experts in the form of G-Talks, panel discussion, workshops and seminars/webinars are conducted throughout the duration of the program. To facilitate the holistic development of our students, we motivate them to participate in various co-curricular and extra-curricular activities. XBS offers a platform to its students to build upon their cultural sensitivity, social skills, and teamwork. The XBS family creates an environment of Home away from home for the students.

Non-Credit Courses: To bridge the gap between theory and practice certain value-added non-credit courses have been developed. These courses will develop students’ interest in financial assets and markets and improve their quantitative and analytical skills using MS Excel, NSE Smart Trader etc.

VALUE ADDED COURSES

Alongside the curriculum, Xavier Business School organizes several activities and courses to equip the students with all the necessary skills to accomplish their goals and be corporate-ready. The students are exposed to the learnings in a dynamic and interactive environment by individuals and industry leaders who have the desired expertise in their domains. Some of the value-added courses offered are as follows:

- **Business Simulation Activities:** To improve the decision-making skills of the students and promote their all-rounded development, XBS conducts business simulation sessions in collaboration with Capstone. The session helps the students to put all that they've learned into practice by analysing a meaningful and strategic business question. The business simulations provide engaging, real-world learning experiences in a customized environment. The students improve their decision-making, management, and analytical skills across different areas including marketing, finance, human resources and business analytics.

- **Quantitative Skill Enhancement Programs:** With the increase in competitions within the industry in various areas like Finance, Information Technology, Analytics, Project Management, etc. getting the right skillset has become necessary for a person to stand ahead of others in competition. Undergoing a certification course, therefore helps an individual to showcase his competency, commitment for the profession, build expertise in his professional subject area, and helps with job advancement. In collaboration with leading platforms, XBS conducts **certification courses** in areas which are presently relevant to the industry like **Advance Excel, SPSS, Tableau, Digital Marketing, Financial Modelling, Payroll Management etc.**

- **Qualitative Skill Enhancement Programs:** The importance of soft skills in today's corporate world is unparalleled. To equip the students with skills essential for personal and professional success, XBS conducts sessions on **Personal Branding, Social Media Management, Corporate Etiquette, Conflict Resolution, Professional Networking, Time & Stress Management, Confidence Building** etc. Structured **mock interviews and group discussions** are also conducted on a regular basis to make the students corporate ready. Students are also engaged in **team building activities** and given valuable insights into the art of **preparing resumes**.

- **Workshops:** During the two-year programme, several workshops are conducted to introduce some new ideas, inspire participants to further explore it on their own, and promote actual process practice. It acts as a great way to teach hands-on skills as it gives learners an opportunity to try out new methods and learn from their errors in a safe environment. Workshops are conducted in the areas of Entrepreneurship, Stock Trading, Branding and Advertising, Case Study Solving etc.

INDUSTRY ACADEMIA INTERFACE

Industry interface is a critical differentiator for management institutions worldwide. We at XBS, strongly believe in building a strong foundation for corporate interface through innovative practices. Our students are made to undertake research work and live industry projects to get practical exposure to the corporate world. PLACEMENT

• **Summer Internship:** On the completion of the 2nd semester, each student needs to undergo a mandatory Summer Internship Programme (SIP), for a period of 6 to 8 weeks. The placement office arranges the SIP for the students on the basis of their specialization area. It acts as a steppingstone for the management graduates by providing them with an exposure to the corporate world in their respective domains. Summer Internship creates an opportunity to the students to gain real-life experience and grab Pre-Placement Opportunities (PPO) in reputed organizations based on their performances.

• **Final Placements:** The outgoing MBA students are provided with the placement opportunity through a systematic placement procedure followed by XBS. On the part of the students, hard work, commendable character and personal conduct, proficiency in English and good knowledge of the subjects are essential to get a good placement. Having commenced its journey in 2018, XBS has grown by leaps and bounds in terms of placements. While first three batches of XBS achieved nearly 95% placement, the 4th batch i.e., the batch of 2021-23 has achieved **100% placement** record through our Campus Recruitment Program. Most of our graduates got placed in multinational companies, media houses, start-ups and agencies belonging to a wide array of industries.

• **Industry Visits:** It provide an excellent opportunity for the students to interact with industries and have a deeper understanding of the industrial environment. It is of immense importance for an MBA student, pursuing a professional degree. Xavier Business School conducts regular Industrial visits within as well as outside the city. The objective of these industry visits is to provide students with an insight into the internal working of companies. It helps the students to visualize the theoretical concepts being put in action at the industry. Over the past few years, our students have visited the manufacturing plants of companies like **Diamond Beverages Pvt. Ltd. (Coca-Cola), ITC Ltd., Berger Paints India Ltd., Zydus Healthcare Ltd.** to name a few.
